

December 4, 2014

Dear Regional FOIA Officer:

Pursuant to the Freedom of Information Act, 5 U.S.C. § 552, please provide any and all records as described below between EPA and the list of organizations and individuals provided below concerning environmental issues in North Birmingham, Alabama, and/or related to the following companies: Walter Coke, Drummond Company (or ABC Coke), Alagasco, KMAC, Ashland Chemical, or U.S. Pipe & Foundry.

Types of records: communications, attachments to all such communications, meeting records (including but not limited to attendance sheets, documents exchanged, notes taken, presentations given), phone conversation records (including notes taken during any such conversation).

Organizations and Individuals:

- Any individual at the law firm of Hare Wynn Newell & Newton (specifically including, but not limited to Don McKenna, Brian Vines, and Jim Pratt);
- Any individual at the engineering firm Goodwyn Mills and Cawood (specifically including, but not limited to Jymalyn Redmond);
- Any individual at the law firm, Environmental Litigation Group;
- Any individual at the law firm, Weaver Tidmore;
- Any individual at the organization Southern Environmental Law Center (SELC); and
- David Ludder.

I am willing to pay up to \$500 in costs without further authorization. Please let me know if you anticipate the costs of responding to this FOIA request exceeding this amount.

Thanks,  
Tal Simpson
